- None

5. OPEN ROUND TABLE

ReGIS members went around the room and provided updates. The following are some of the summarized comments:

- *Jasmine commented that their team is focused on implementing the prioritized projects in their strategy plan. One of their upcoming projects is creating a fire transparency hub. Continue work on the weed abatement application.*
- *Alex mentioned that they are in the process of migrating from old to new servers and will also be working with tribes to identify the scope of coverage for public safety for the upcoming new casino.*
- *Connie commented that they are still progressing through their current project.*
- *Dietzjohn commented that they are progressing through correcting the geographic accuracy of their facilities, noting that they have 388 miles of pipelines and are about 65% complete.*
- *Eric commented that a priority is to transition the planning department to government.gov, which they use for permitting.*
- *Jordan commented that the County will be building a radio tower in City property.*
- *Sean commented that an upcoming priority is to develop a GIS Master Plan and upgrade to ArcGIS Pro*
- *County of Solano - 3DHP project is in progress, and the product is anticipated to come out in Spring 2027. For Aerial photography imagery, focus is on the urban core. The flights will take place in March 2026.*

6. ADJOURNMENT
